lynette.hemingway@gmail.com | (443) 248-0575 | <https://lynettehemingway.github.io/lynette-portfolio/>

## Education

University of Florida (UF) - Gainesville, FL

May 2027

Bachelor of Science in Computer Science

- **Relevant Coursework:** Data Structures and Algorithms, Applications of Discrete Structures, Introduction to Computer Organization, Digital Image Processing

## Skills

**Languages:** C++, Python, HTML, CSS, JS

**GIS Software:** ArcMap, ArcGIS Pro, ArcGIS StoryMaps

**Design Software:** Canva, Adobe Photoshop, Adobe Express

## Experience

FrontSpace Organization | Web Developer

June 2024 - Current

- Develop and maintain a new website for a non-profit organization, ensuring essential resources are readily accessible to members. Utilizing HTML, CSS, and JS to create user-friendly interfaces.

## Projects

MelodyHub | HTML, CSS, JS

June 2024 - July 2024

- Developed the entire front end of MelodyHub, a music recommender website, ensuring a seamless and responsive user experience across devices.
- Gained experience with APIs and collaborated to optimize performance through thorough testing and debugging, enhancing website speed and reliability.

Wolfbot | Python

June 2024 - July 2024

- A comprehensive Discord bot tailored for the Filipino Student Association, designed to streamline event management and enhance member engagement.
- This bot handles event reminders, RSVPs, and maintains a ranking system to track member attendance efficiently.

## Leadership/Extracurricular

Filipino Student Association (FSA)

August 2023 - Current
